

Dear Friend,

As you know, I work with **STEEL CITY GREYHOUNDS** and we participate in the Verizon Velocity fundraising program. We're excited about this program because our organization will receive donations when you order new, qualifying Verizon residential service from the list below. We can receive up to \$65 for one Verizon Triple Play order—and that can add up fast!

RESIDENTIAL PRODUCT	ONE-TIME DONATION
Verizon Internet (FiOS [®] or High Speed Internet)	\$25.00
Verizon TV (FiOS [®] or DIRECTV [®])	\$20.00
Verizon Phone Service (FiOS Digital Voice, Freedom™ Calling Plan)	\$10.00
Verizon Long Distance	\$10.00

So if you have been thinking about ordering new Verizon residential services, please be sure to place your order through this great program. And, you won't miss out on special Verizon offers because customers who order through the Velocity fundraising program are also **eligible to receive currently advertised promotions!**

So, in order for **STEEL CITY GREYHOUNDS** to benefit, please be sure to follow these directions:

Step 1: Add new Verizon residential service(s) by calling the Velocity Sales Office **NJ Sales – 1.888.678.1384; PA/DE Sales – 1.888.345.7544**. Orders placed any other way (online, at a retail store, etc...) will not generate donations. This is the most important step!

Step 2: Provide the Verizon representative with our code: **50658**

That's it. We hope you will support us through Verizon Velocity. For more information on the Verizon Velocity fundraising program, visit verizon.com/velocity.

Sincerely,

Charles Hack
